SERVICES

Intellectual Property

OVERVIEW

Theresa Waltos has more than 20 years of experience in intellectual property focusing on trademark and patent portfolio management, including working directly with intellectual property attorneys, clients and foreign counsel.

In her spare time, Theresa is a hospice volunteer where she spends time with those in respite care and end of life care along with her licensed pet therapy golden retriever, Pennie Mae.

EXPERIENCE

- Assists patent attorneys in preparation and filing of applications, formal documents and assignments.
- Assists attorneys in preparation of responses to patent office actions and assists with on-going post-filing prosecution, domestic and foreign.
- Assists trademark attorneys in preparation and filing of applications, maintenance requirements, statements of use, renewal applications, affidavits of use and assignments.
- Assists attorneys in preparation of responses to trademark office actions and manages prosecution and enforcement of trademark portfolios, domestic and foreign.
- Polices clients' trademarks for potential infringements and reviews products, advertising and packaging to ensure proper use of trademarks.
- Develops and executes trademark portfolio reports.
- Researches trademark assignments and communicates with counsel and clients.
