Notary Public, State of Ohio

OVERVIEW

Gail is a Paralegal with Walter | Haverfield's Real Estate Services group. She assists the practice with complex commercial real estate transactions and is responsible for title and survey review, loan documentation and due diligence review.

EXPERIENCE

Gail has extensive real estate, commercial banking, and corporate transactional experience. She has worked for real estate developers, national banking associations, regional banks, and international law firms over the past 20+ years. This work has included landmark and historic property financings, retail portfolio sale/leasebacks, construction financing, institutional lending and tax credit projects.
